Many congratulations on deciding to ‘tie the knot’ and thank you for considering The Swan for your special day.

Your wedding is a very special occasion, a day to cherish and remember forever & here at The Swan we understand what a big decision it is choosing a wedding venue.

Footsteps from the beach, our idyllically located venue has stunning sea views and miles of greenery that span along West Bay clifftops—the perfect backdrop for your big day.

Beautifully decorated and sea-facing, our West Bay Suite ceremony and reception room has room length, ceiling high windows, letting in that beautiful seaside sunshine, plus an exclusive and fully refurbished bar.

You don’t have to take our word for it, our dedicated wedding and event co-ordinator would be delighted to show you around the venue and discuss your plans.

A warm welcome awaits you.

Ceremonies

The Swan is licensed to hold civil ceremonies in our West Bay Suite, which boasts ceiling-high windows, a large fire place, room length twinkle lights across the ceiling, a modern atmosphere and spectacular sea views.

After you say 'I do', let us take care of transforming the room from wedding ceremony to wedding reception while you both enjoy those first special moments as a married couple.

Fees

We do ask for a small room set up fee, however all fees due to the registrar are separate and governed by the Kent Registry Service.
